

**WORKING TOGETHER TO HELP PEOPLE WITH COVID-19 FEEL BETTER FASTER.**

**Together, we can change the future of COVID-19 treatment.**

### HOW CAN YOU HELP?

If you answer “yes” to all of these questions, you might be able to take part in this study:

- ✓ Are you at least 30 years old?
- ✓ Have you tested positive for COVID-19 within the past 10 days?
- ✓ Since testing positive, have you had at least 2 of these COVID-19 symptoms?
  - Feeling tired
  - Trouble breathing
  - Fever
  - Cough
  - Upset stomach
  - Vomiting
  - Diarrhea
  - Body aches or chills
  - Headache
  - Sore throat
  - Stuffy nose
  - New loss of sense of taste or smell

### WHAT IS ACTIV-6?

The purpose of the ACTIV-6 research study is to test medications that are already approved for other diseases to see if they can help people with mild to moderate COVID-19 feel better faster and stay out of the hospital.

ACTIV-6 is part of the Accelerating COVID-19 Therapeutic Interventions and Vaccines (ACTIV) program.

### WHY IS THIS STUDY BEING DONE?

Better treatments for COVID-19 are still needed, especially for patients with mild to moderate illness. This study is testing different medications because COVID-19 affects each person differently.

**Clinical research studies (also called clinical trials) help researchers learn more about how to treat and prevent diseases and can help improve future health care. Taking part in ACTIV-6 is voluntary. You can decide not to participate.**

### WHAT WILL YOU DO IF YOU DECIDE TO PARTICIPATE?

**If you are a good fit for the study and decide to take part, you will:**

- Take either a study medication or placebo, as prescribed. A placebo is a medication that has no active ingredients and will have no effect.
- Answer short surveys daily for 14-28 days. Surveys are taken online on a secure, private website. There are no in-person study visits.
- Complete a follow-up survey after 90 days

The study drugs will be shipped to you at no cost. Surveys are taken online on a secure, private website. If you have questions, someone will be available to assist you.
