

Community-Engaged Research Interest Group (CEnRIG) Event

“The Impact of a Telehealth Intervention on Activity Profiles in Older Adults during the COVID-19 Pandemic: A Pilot Study”

October 7th, 2021 | 12:15 PM

HOSTED BY THE GREAT PLAINS IDEA-CTR NETWORK

Learning Objectives:

- Disseminate the findings from the pilot study
- Discuss decision making for human subjects research during the COVID-19 pandemic
- Highlight the importance of community-based participatory research

Featured Speaker

Dr. Ryan McGrath is an Assistant Professor in the Department of Health, Nutrition, and Exercise Sciences at North Dakota State University. Dr. McGrath's research interests include topics related to health during aging. His long-term goal is to advance health assessments and communication platforms for improving vitality, quality of life, and longevity.
